What we are doing

As you are aware, Downer have been repairing the damaged retaining walls in Mt Pleasant. This notice is to advise you that we will be undertaking night works on St Andrews Hill Road to remove concrete capping and vegetation. Refer to Map 1; Location of work.

Impacts

- Lane restrictions will be in place on St Andrews Hill Road and Downer traffic teams will be onsite to control traffic flow.
- This work will take place on the night of **Thursday 29 or Friday 30 May 2014, subject to favourable weather and on-site conditions.**
- Work will start at 7:00pm and will take about 6 hours to complete.
- Pedestrian access will be available around the worksite. Please keep a look out for changes and signage to indicate alternate pedestrian access ways.

General Information

- Work may result in increased dust, noise and vibration. We will try to keep any disruption to a minimum and we apologise for any inconvenience. We appreciate your patience while we do this work.
- It is necessary to carry out this work at night when traffic flow is low.
- Safety is our number one priority - safety is your responsibility too. Please look out for changes in the condition of footpaths and take care when out walking.
- The work will have no impact on water, wastewater, telecommunication and power services
